Lunch box & Carry case

Kidzpod is designed to be a lunchbox and carry case. Great for filling with toys!

Personalise

Kids have complete control of what their lunch box image is. Inserts are held behind a clear panel so can be cut out from a magazine, printed out or drawn by hand using the template provided.

Endless possibilities

Kidzpod can keep up with the latest trends by changing the insert images.

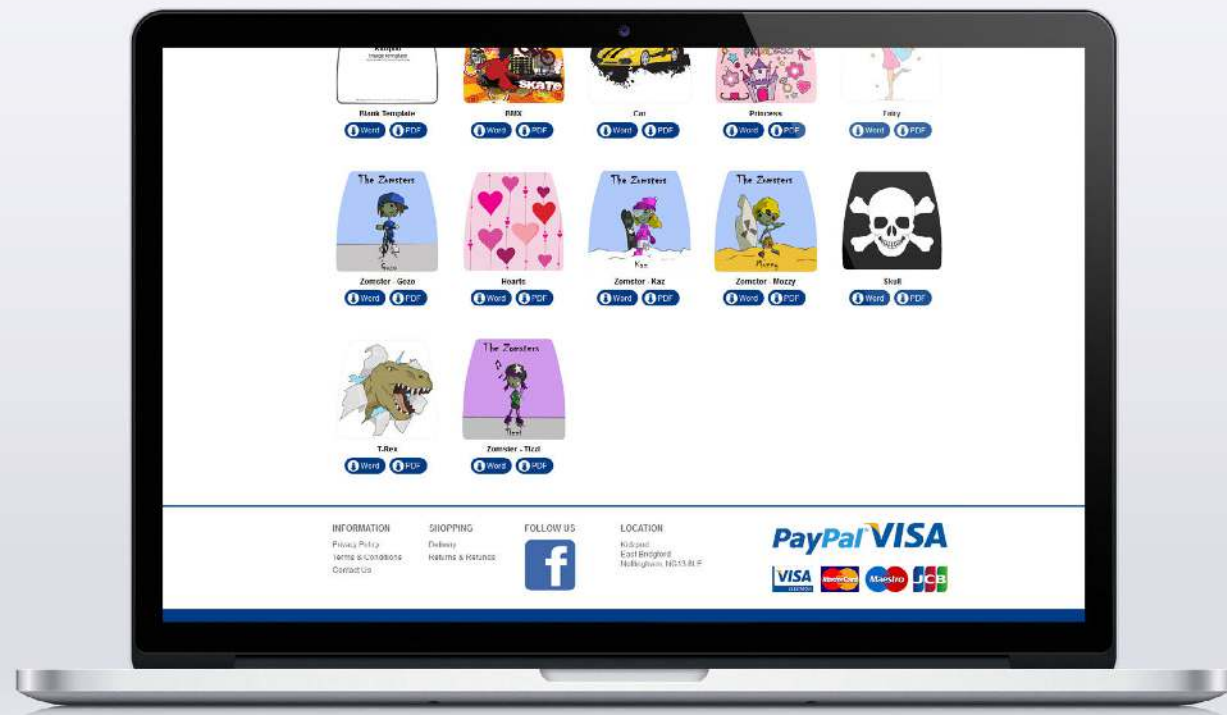

Anti-bacterial & easy clean

BioCote® kills 99.9% of bacteria ie. E.coli and Salmonella. BioCote® is added to the Kidzpod lunch box at the time of manufacture. Unlike a lunch bag, Kidzpod lunchboxes stays fresh and are odour and germ free.

- Dishwasher safe
- Actively kills germs
- Quick wipe does the job
